

## **BEST PRACTICE-II**

### **ENVIRONMENTAL CONSCIOUSNESS**

#### **Report for the Academic Year 2019-20**

Hyderabad Karnataka Education Society's, Smt. Veeramma Gangasiri College for Women, Kalaburagi remains dedicated to high standards of environmental protection and focuses on developing a great focus and status for being environmentally responsible institution.

The college will always strive and work towards developing conservation of water and its efficiency. College is determined to implement energy sustainability measures to reduce consumption of non-renewable energy through energy efficient projects/products and energy saving activities which will have positive impact on the environment. The college supports sustainable waste management at its campus in many ways and strives to implement sustainable transportation.

During the academic year 2019-20 under **Environmental Consciousness** - best practice the following activities were performed.

# List of the activities carried out under the banner of
